COMMUNICATION

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

The Applicant respectfully submits that the Office Action dated November 1, 2005 was deficient as it did not address all claims in the present application. In the Office Action response filed on August 8, 2005, the Applicant added new claims 35 and 36. In the Office Action dated November 1, 2005, the Examiner only addressed claims 1-34. In a phone conversation between the Examiner and the below signed attorney, on January 6, 2006, the Examiner acknowledged the deficiency and indicated that per agreement with his supervisor that a new Office Action would be issued to replace the Office Action dated November 1, 2005 and that the clock for responding would accordingly be reset. To date, today being the three month non-extended response date for the November 1, 2005 Office Action, the Applicant has not received a new Office Action to replace the Office Action dated November 1, 2005 or a formal communication from the Examiner withdrawing the November 1, 2005 Office Action..

The Applicant respectfully submits that this communication captures the agreement reached between the Examiner and the undersigned that the November 1, 2005 Office Action is void for the aforementioned deficiencies and therefore should be withdrawn and that there is currently no deadline for which the Applicant needs to respond to avoid abandonment. The Applicant respectfully requests that the Examiner issue a formal communication that captures the agreed to withdrawal of the November 1, 2005 Office Action.
